(Germantown)... State Senator Alberta Darling secured three more key law enforcement endorsements today when Waukesha County District Attorney Brad Schimel, Washington County District Attorney Todd Martens, and Ozaukee County District Attorney Sandy Williams endorsed her re-election campaign.

These endorsements build on a growing list of law enforcement leaders who support Alberta Darling, including Wisconsin Attorney General J.B. Van Hollen, Waukesha County Sheriff Daniel Trawicki, Washington County Sheriff Dale Schmidt, and Ozaukee County Sheriff Maury Straub.

In contrast to Darling's strong public safety record, her opponent has voted against the school gun hotline (1997 AB 714) and Voter ID, but supports allowing drug dealers to receive financial aid for college (2003 AB 342).

"Alberta's long record of listening to the needs of law enforcement made my decision to endorse her for State Senate an easy one," Ozaukee County DA Sandy Williams said.

"Alberta shares our values and has always been a great friend," Washington County DA Todd Martens said.

"Senator Darling has been always been supportive of giving local law enforcement the tools we need to protect the children and families in our communities," Waukesha County DA Brad Schimel said.

"I have worked closely with Sandy, Todd, and Brad over the years, and I'm grateful for their support," Darling said "They need a strong advocate at the state capitol, and that's exactly what I intend to continue to be."

These law enforcement endorsements build on Darling's already impressive list of supporters, including Milwaukee County Executive Scott Walker, Waukesha County Executive Dan Vrakas, and State Representatives Jim Ott and Sue Jeskewitz. More prominent endorsements from local leaders who share Darling's values and beliefs are expected in the near future.
